Summaries of the Partnership events

Note by the Secretariat

1. The World Summit on Sustainable Development adopted its organization of work at the first plenary meeting on 26 August 2002, and organized its partnership events within 10 partnership meetings as follows:
 - Six partnership plenary meetings were devoted to the WEHAB themes (water and sanitation, energy, health and the environment, agriculture, cross-sectoral issues (finance, trade, technology transfer, sustainable consumption and production patterns, education, science, capacity building and information and decision making); and biodiversity and the ecosystem management).
 - One partnership plenary meeting was devoted to the regional implementation panel.
 - Three plenary meetings were devoted to a general debate for non-state Entities which will appear in the proceedings of the report of the summit.
2. There will be summaries for the first seven partnership plenary meetings and these will be issued as addenda to the present note.
